

**PERMISSION TO LEAVE THE SCHOOL PROPERTY
FOR COMMUNITY “WALKING” EXCURSIONS**

2011-2012

There are a few occasions during the year your child’s classroom teacher wishes to capture the “teachable moment” and takes the entire class off school property for a walk to a nearby location. Examples of these excursions may include a neighbourhood walk to observe seasonal changes, mapping the streets, a neighbourhood clean-up or just taking a nature walk. We require a signed permission form **per family**. Please list all the children’s names on the form.

Note: Maple Grove’s yearly Thanksgiving Hike is planned for this Thursday October 6th after the shared lunch. The SK students are welcome to stay for the shared lunch and hike. Please ensure your child’s/children’s form is returned to the school before this date if you wish them to participate.

I/We give permission for my child/ren to leave the school property with the teacher to experience the neighbourhood. I understand that my child/ren will be walking during these excursions.
